Make a Move to the Beach

December 16, 2021

Dear :

We are pleased to be one of the first to congratulate you and confirm your spot in housing at the California State University, Long Beach (CSULB) for the Spring 2022 term. Welcome to "The Beach!" We are very excited to have you as a member of our Residence Hall community. While living at "The Beach", you will be a part of a great community that benefits from many social, educational and cultural activities sponsored by our Residence Hall Association (RHA).

Your room and roommate will be assigned for you. We will review your preference and based on allotted open spaces assign as best as we can. Please note there are no guarantees on preferences. The assignment process is scheduled to take place the week of January 3rd due to upcoming holiday closure. Once assignments have been made, we will email you information about move in and your hall assignment. Housing charges for Spring 2022 will not appear in your student account till mid-January.

For further information about our residence halls, Cancellation Policy, and other policies and procedures, please visit our website at <http://www.housing.csulb.edu> or contact our office at housing@csulb.edu or (562) 985-4187.

PLANNING AHEAD:

Move-in Day for all new applicants (that's you) is on Sunday January 16, 2022, 10 am - 7pm. Note first meal service will not be till Dinner, Tuesday January 18th.

Should you wish to, you can arrive on Tuesday January 18th, 2022, between 10 am – 7pm.

More information to come. (Keep an eye out for the Hall Assignment/Move-In Information email, in a couple weeks.)

A Note from GradGuard:

As a reminder and given the fact the CSU Long Beach does not assume any financial responsibility for the personal property of on-campus residents, we recommend all residents to carry some form of insurance protection. The University does not offer renter's insurance protection, nor does it require that you choose any specific insurance provider. However, it has partnered with [GradGuard](#) to make their renter's insurance plan available to you as a preferred option. Before confirming your on-campus assignment, you will have an opportunity to indicate interest in renter's insurance coverage if you are interested in doing so.
