

SCHEDULE OF CLASSES FALL 1967

Evelyn M. Reckel

Department	Page	Department	Page	Department	Page
Anatomy & Physiology	60	Entomology	62	Nursing	24
Anthropology	75	Finance	26	Operations Research & Statistics	28
Art	39	French	55	Philosophy	57
Astronomy	69	Geography	76	Photography	23
Accounting	25	Geology	65	Physical Education	46
Biology	61	German	55	Physical Science	70
Botany	62	Health Education	45	Physical Therapy	50
Business	29	History	77	Physics	70
Business Education	26	Home Economics	20	Political Science	79
Chemistry	63	Honors Program	19	Psychology	72
Civil Engineering	35	Industrial Arts	21	Radio & Television	60
Comparative Literature	54	Industrial Technology	23	Recreation	50
Criminology	19	Instructional Media	32	Russian	56
Drama	42	Journalism	56	Safety Education	46
Economics	75	Latin	55	Secondary Education	33
Education	34	Library Education	33	Social Science	80
Educational Administration	29	Management	27	Sociology	81
Educational Foundations	29	Marketing	28	Spanish	56
Educational Psychology	30	Mathematics	66	Speech	58
Elementary Education	31	Mechanical Engineering	37	Women's Physical Education	50
Electrical Engineering	36	Men's Physical Education	49	Zoology	63
English	51	Microbiology	68		
		Music	43		

(A detailed index is shown on page 3)

COURSES SATISFYING GENERAL EDUCATION REQUIREMENTS

REQUIREMENTS	LOWER DIVISION	UPPER DIVISION	
I. Social Science (9 units) A. U.S. History	History 171A or B or 161A, B	Any upper division U.S. History course except California history.	
	B. U.S. Government and Constitution	Political Science 100 (includes Federal and State and Local Government.)	Political Science 421 (includes Federal and State and Local Government.) P.S. 425 (for those needing <i>only</i> State and Local Government.)
	C. Electives	Select lower and upper division courses in anthropology, economics, geography, history, political science or sociology.	
II. Natural Science (9 units, which must include at least one biological science course and one physical science course. Two semesters of laboratory science are required.)	BIOLOGICAL SCIENCE		
	Courses requiring no prerequisites: Biology 200, 202; Botany 200, 201, 210, 211, 212; Zoology 210A-B. Students having had a year of high school biology may select their lower division biological science from the courses listed below: Anatomy and Physiology 200; Botany 200; Biology 201, 203, 204; Entomology 200; Microbiology 100, 101, 210; Zoology 200, 201.	Select upper division courses for which prerequisites have been met in: anatomy and physiology; microbiology; biology; botany; entomology and zoology.	
	PHYSICAL SCIENCE		
	Courses requiring no prerequisite: Physical Science 112; Geology 100; Astronomy 100. Students having had the appropriate high school background as listed in the catalog may select their lower division physical science from the courses listed below: Chemistry 100, 111A-B; Geology 101; Physics 100A-B, 104.	Select upper division courses for which prerequisites have been met in: chemistry, geology, physics.	
III. Literature, Philosophy, or the Arts * (6 units, 3 of which must be in literature or philosophy.)	LITERATURE		
	Any literature course, except English 184, 481, 482.		
	PHILOSOPHY		
	Any philosophy course.		
	ARTS		
	Any course in art, drama, music, industrial arts, or home economics. (Special methods courses are not applicable.)		
IV. English (3 units) *	English 100.		
V. Speech (3 units)	Speech 130, 131, 132, 133.		
VI. Psychology (3 units)	Psychology 100.		
VII. Physical Education (2 units)	Four successive semesters of Physical Education 103, 104, 105, 106.		
VIII. Health Education and Safety (2 units)	Health Education 110.		
IX. Electives (8 units) *	Select from any of the above fields, including journalism and mathematics. Six units of foreign languages may be applied as electives.		

*The pattern of general education required of candidates for teaching credentials differs from that required for the bachelor's degree. For further information, see the Credential Section.
