General Education Courses

By Category

Important Notice: Revisions to the GE pattern which have been approved by the CSULB Faculty will become effective Fall 2008. These changes may be beneficial to students who have not completed their GE requirements. Continuing students who will graduate Fall 2008 or after can follow either the current 1999 GE pattern or the new 2008 GE pattern. New students for Fall 2008 must follow the new pattern. The Academic Advising Center can assist you in understanding the requirements under both patterns.

BE AWARE: The information printed in this Schedule of Classes reflects the current 1999 GE pattern. Information on the revised requirements will be available on the CSULB website by May 2008.

This is a list of courses that will count towards your General Education (GE) requirements if you take them this semester. Use the *List of Classes*, starting on page LC-1, to choose specific classes from each category.

All students:

Go to *Know Your General Education Requirements* on page 41 and the category headings in the following lists to find out which courses you need to take.

Freshmen:

You must complete the Foundation requirements within the first 36 baccalaureate units at CSULB (see page 42). These courses are a prerequisite to all GE courses at the 300 or higher level.

You may use either an Explorations course or a Capstone course to meet a category requirement. You may use the same course to meet both a category requirement and the Human Diversity in the U.S or Global Issues requirement.

Transfer students:

If you are GE certified, you can choose Capstone courses from any category. One of the Capstone courses can be used to meet the Human Diversity in the U.S. requirement (◆). If you still need to meet the Global Issues requirement, choose one course designated (●).

(◆) Courses that meet the Human Diversity in the U.S. requirement (catalog years 1993-1994 and later)

(▲) Courses that meet the Capstone requirement (catalog years 1999-2000 and later)

(●) Courses that meet the Global Issues requirement (not required under 1999 or earlier GE Pattern if GE is certified)

Apply each GE class you take to one category only, even when the course is listed under more than one category.
