

MASKING POLICY STATEMENT FOR SYLLABI FALL 2023

Let your students know about the CSULB Requirements for Masking on Campus During Ongoing COVID-19 Infections. Include the following in your syllabus:

Our campus strongly recommends but no longer requires facial coverings in indoor spaces. Faculty members cannot require students to wear masks or segregate students who choose not to wear a mask in classrooms as a result of this policy. Mask wearing may only be required for students when there has been a verified COVID-19 exposure in a classroom.

We will revisit this policy as appropriate with the guidance of public health agencies.

More COVID-19 campus updates are at www.csulb.edu/covid-19.
