PAYROLL CLASSIFICATION	E3311 Research Fellow I
DEPARTMENT	BUILD Program
STATUS	Full Time, Benefitted, Non-Exempt/Hourly
POSTING DATE	April 29, 2024
POSITION NUMBER	2653

OVERVIEW

CSULB was selected by the National Institutes of Health (NIH) as one of ten institutions in the nation for the BUILD initiative (Building Infrastructure Leading to Diversity: <http://commonfund.nih.gov/diversity>). The primary purpose of the BUILD programs is to improve training and education of underrepresented and underserved students with the goal of preparing them for doctoral studies and health-related research careers. **Because the BUILD Data Analyst and Manager will need to access data provided by current and former BUILD trainees, current and former BUILD trainees are ineligible to apply.**

ESSENTIAL DUTIES AND RESPONSIBILITIES

Under the general supervision of the Principal Investigators, the BUILD Data Analyst and Manager will support data analyses leading to research dissemination (publication and presentation) efforts of BUILD program activities developed for student and faculty training. These activities include, but are not limited to:

- Working with BUILD PIs, Co-directors, and faculty researchers to extract data and perform data analyses on the impact of BUILD program interventions and activities on (1) undergraduate research training, (2) faculty resources, mentoring, and diversity, and (3) institutional equity.
- Providing technical and data analytic support for BUILD Program’s annual reports to the NIH and BUILD’s research dissemination efforts.
- Working with BUILD program data manager, BUILD Research Fellow II/III, and BUILD evaluation team to ensure well-coordinated and efficient program and evaluation data collection, management, and reporting.
- Supporting the dissemination of BUILD student and faculty training interventions to other institutions
- Maintain data filing system(s) associated with the project and conduct data tracking to ensure completion of data collection, entry, and analysis efforts.
- Develop and maintain data dictionaries and protocols.
- Maintain and document databases with confidential CSULB BUILD student and faculty data.
- Provide program data in response to routine and ad hoc requests.
- Work with the program data manager and evaluation team to obtain IRB approvals for program and evaluation data collections on an ongoing basis.
- Other duties/responsibilities added as required.

EDUCATION, SKILLS AND ABILITIES

- Master's degree in biostatistics, social sciences, higher education, or related disciplines. Doctoral degree preferred.
- 1-3 years of professional experience related to research and/or program evaluation.
- Publication record of primary research articles preferred.
- Must show familiarity with databases and have experience creating data visualization using programs such as Excel, Tableau, or Power BI.
- Must have advanced skills in SPSS, R, SAS or Stata, including multivariate statistics, factor analysis, and hierarchical linear modeling (HLM); Knowledge and experience with use of longitudinal data analysis, multilevel modeling, and propensity score matching highly desirable.
- Must have excellent interpersonal skills and commitment to supporting undergraduate students in their educational endeavors.
- Must demonstrate commitment to diversifying the U.S. research workforce in biomedical and behavioral sciences.
- Must have a demonstrated ability to communicate and work effectively with a diverse group of students, faculty, and staff. Must show discretionary judgment necessary to handle confidential matters.
- Must demonstrate ability to manage time and multiple projects/duties simultaneously, function well under pressure, work effectively under deadlines and develop work plans.
- Must provide evidence of organizational skills, be able to accept constructive criticism, be professional and interact positively with a diversity of individuals and work styles.

Must be able to accept constructive criticism, prioritize workload, be professional and dependable, interact positively with others and possess a friendly and outgoing personality. Regular, punctual attendance required. This position is employed through the CSULB Research Foundation. Employment is at-will.

POST OFFER BACKGROUND CHECK REQUIREMENT

A post offer background check (including a reference and criminal records check) must be completed, and the individual cleared, before they can start work with the CSULB Research Foundation. No information will be required prior to the offer of employment. Once an offer of employment is made, failure to complete the background check and receive clearance may affect the application status of a new hire individual and/or the continued employment of a current CSULB Research Foundation employee who has applied for/moved into a new position. Individuals working with minor children and/or the elderly will be required to renew their live scan fingerprinting and be cleared every twelve (12) months. Information obtained through the background check does not automatically disqualify an individual from employment.

GRANT FUNDED EMPLOYMENT

This position is restricted to the conditions set forth in the grant. Ongoing employment is contingent upon satisfactory job performance and continual renewal of grant money/availability of funds.

COMPENSATION RANGE: \$33.00 - \$37.00 per hour

FILING DEADLINE: Open Until Filled

NOTE: In order to be considered for this position, please submit the required information as soon as possible. The hiring committee will review applications, interview qualified candidates and close the position anytime on or after two (2) weeks from the posting date listed above. Removal of a position from our website is indication that the position has been filled.
