CALIFORNIA STATE UNIVERSITY
LONG BEACH
College of Education

Attached is an evaluation of your credential requirements. Each item must be completed in order to be eligible for a credential recommendation by the Credential Center, a Commission on Teacher Credentialing-approved program sponsor.

Please note the items highlighted in yellow on your evaluation.

- Needs = requirement(s) that have not been completed/submitted to the Credential Center
- IP = work currently in progress

Your credential file will be updated each semester as requirements are met and/or submitted to our office.

If you are currently enrolled at another institution, it is your responsibility to inform the Credential Center and your program office, and to provide official transcripts upon completion of coursework.

Receipt of this evaluation does not guarantee approval of your student teaching application by the Teacher Preparation Advising Center. Your program may have additional requirements that must be met before your student teaching application can be approved.

Credential Application

During your final semester of student teaching, you will receive an updated evaluation by email, and instructions on how to apply for your credential. Be sure we have your current email address.
