

Dear Friends,

The College of Education is excited to embrace the coming academic year with a newly endorsed [strategic plan](#) to accomplish our vision of equity and excellence in education. We also look forward to participating in the University's Imagine Beach 2030 effort, to imagine the future of the University and the College in an ever-changing social, political, economic, and workforce environment. We invite our alumni and friends to join us in this [futures-planning effort](#) this Fall and will distribute further information through our website and social media channels.

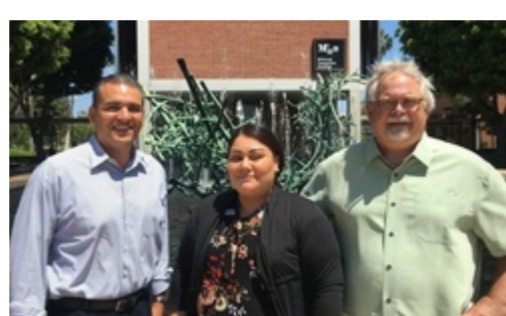

I hope you enjoy reading this newsletter and getting caught up on the rich and varied accomplishments of our students, faculty and staff, and distinguished alumni. We remain committed to working collaboratively with our partner educational institutions and community in addressing the inequities in urban education. Please stay in touch and [reach out to us](#) to share your updates and achievements.

Warmly,
Shireen

Shireen Pavri, Ph.D.
Dean and Professor

FACULTY FOCUS

[Kenneth "Wayne" Scott Memorial Scholarship](#)

Dr. James Scott, Faculty in Educational Leadership, and his sisters have established an endowed scholarship in memory of their father, Kenneth "Wayne" Scott, an elementary school principal in LAUSD for over 30 years. Primarily funded by the Scott Family Trust, the total endowment will be in excess of \$30,000, including almost \$7,000 donated by friends, colleagues, doctoral alumni and family members. In order to qualify for the scholarship, students must be either currently enrolled in or applying to the elementary/secondary Ed.D. program, committed to working with historically marginalized students in urban communities, and also must currently work in Education. The first recipient of the Kenneth "Wayne" Scott Memorial Scholarship will be awarded in Fall 2019.

Information on how to contribute to the Kenneth "Wayne" Scott Memorial Scholarship is [available online](#).
