

L/ST 404 Arts Capstone In London and Brighton,

London/Brighton, UK 🌀 Summer 2022: June 15—July 7, 2022

COURSE: L/ST 404

Visual & Performing Arts Capstone: Visual and Performing Arts Content and Standards for Elementary Classrooms

DESCRIPTION:

Liberal Studies 404 aims to build a foundation for exploring the value of the arts, especially related to their application within schools and communities. Why study in England? This arts-based course relates well to any culture that has a rich history of the arts. England certainly qualifies, especially London and Brighton! The course emphasizes all arts as central to effective teaching strategies. Study Abroad L/ST404 in London and Brighton will offer students the opportunity for a deeper understanding of the arts within a culture that is both modern and ancient. Activities and excursions will include Museums (The Victoria & Albert, The Tate Modern), five theatre and music performances, a tour of Shakespeare's Globe Theatre, visits to attractions, including The Tower of London, as well as visits to lesser-known areas of London, such as Brick Lane, the East End, and Camden. While in Brighton, we will go out of town to Rottingdean, a beautiful nearby village steeped in history.
