WORK EXPERIENCE

Special Service for Groups (SSG) Alliance, Cerritos CA

Care Coordinator, November 2018 – Present

- Conduct mental health assessments, develop plan of care, provide psychotherapy and case management, and assist with resource development for approximately 15-20 clients.
- Coordinate and work collaboratively with Case Managers, Nurses, Psychiatrists, and Public/Private Guardians (in some cases), to ensure thorough and timely monitoring of approximately 15-20 clients and their progress toward Care Plan goals.
- Maintain daily SIRP notes to document clients' presentation, progress, intervention, and plan(s).
- Track all medical, psychiatric, behavioral, substance use, and other network referrals made for clients and ensure clients follow-up on referrals and attend scheduled appointments, through accompaniment when necessary.
- Monitor clients' insurance, and other benefits to ensure they remain active and in place. If benefits lapse, assist clients with reinstatement of said benefits.

California State University Long Beach (CSULB), Long Beach CA

Part-Time Lecturer, January 2019 – May 2019 (Spring Semesters)

- Prepare semester's curriculum, lecture and facilitate weekly lessons and activities, and grade assignments for 22 Social Work graduate students' SW562: Foundation Macro Practice class.

Santa Ana Building Healthy Communities, Santa Ana CA

Consultant, November 2017 – November 2018

- Research transformative justice implementation across social justice movements.
- Interview grassroots organizations to present project's intention, measure interest, and capture feedback.
- Develop a "Wellness Project: Transforming the Culture of Organizing in Santa Ana" which focuses in four areas: Human/Individual Development; Community/Collective Development; Community Accountability/Transformative Justice; Coalition Building/Work.
- Reach out and interview possible collaborators in different fields of work such as social workers, coaches, community healers, etc.
- Present project to community grassroots organizations to receive feedback and modify project where needed.
- Develop organization's internal holistic transformative accountability policy including individual support tracking sheets for staff members.
- Develop training curriculum on self-reflection and awareness as organizing tool for the organization's Leadership Institute.

California Immigrant Youth Justice Alliance (CIYJA), Statewide

Development Coordinator, March 2015 – September 2017

- Facilitated the development, implementation, and evaluation of CIYJA's three-year strategic plan by its 13 affiliated grassroots organizations across the state.
- Led the coordination of CIYJA's organizing and development re-alignment strategy which included: three- year strategic plan; strategic capacity support and base building plan for affiliated grassroots immigrant youth-led organizations; statewide leadership development curriculum; campaign organizing and statewide mobilization; and the overall strengthening of CIYJA's internal infrastructure.
- Researched potential funding opportunities and wrote foundation grant proposals.
- Implemented efficient grants management to ensure all aspects of individual gifts and foundation grants were met and the expenses accounted for.
- Supported organizational capacity and development of 13 affiliated organizations across the state.
- Provided supervision and coaching to five staff members across the state.

- Provided organizing and development mentorship and coaching to 26 (two from each affiliate) immigrant youth leaders/organizers across the state.

Housing Long Beach, Long Beach CA

MSW Intern, June 2014 – May 2015

- Spearheaded action based research collecting over 600 surveys from Long Beach renters to develop report regarding renters' issues.
- Facilitated strategy sessions to develop Neighbors United for Safe and Healthy Homes campaign to expand renters' rights in the city of Long Beach.
- Coordinated logistics for bi-annual Community Leadership Summit for 30 community resident leaders.
- Led the development of Resident Outreach Committee, a renters-led organizing group, through popular education and transformational teaching and learning tools.
