

AY 2024-2025 IRB Meeting Dates and Submission Deadlines

The IRB conducts ongoing reviews throughout the academic year, including summer and winter breaks. Most submissions qualify for Administrative/Limited/Expedited Review, which have no submission deadline.

Applications with greater than minimal risks require a Full-board Review during IRB meetings, which are held on the 2nd Thursday of regular semesters. Please note that the IRB does not convene during summer or winter break. To ensure adequate review time, it is essential to submit the complete submission package via IRBNet by the specified deadline.
