

Minor in Geology

Minor Requirements Worksheet

2012-2013 Catalog

Name: _____

Student ID: _____

Note: This checklist is not intended to replace advising from the major department. Students should consult with the major advisor to determine the appropriate sequence of courses. This checklist is to inform students of minor requirements and course prerequisites only. CSULB Enrollment Services prepares the Academic Requirements Report, which is the official graduation verification.

Before adding any minors, students must check to see if this addition will affect [CSULB's Timely Graduation for Undergraduate Students](http://www.csulb.edu/depts/enrollment/graduation/bachelors/timely_grad_ugrad.html) policy. Under this policy, students may earn up to 120% of the number of units required for the degree in their declared primary major. In addition, the policy requires that a student must file a [Request to Graduate](#) form with Enrollment Services by the time the student has completed 100% of the units required for the declared primary major. Any additional degree objectives (e.g., majors, minors, certificates, etc.) must be completed within the 120% unit limit. For more information, see http://www.csulb.edu/depts/enrollment/graduation/bachelors/timely_grad_ugrad.html.

The minor in Geology is available to any non-Geology major.

Twenty units in geology courses that must include:

Lower Division

Grade	Course #	Course Title	Semester	Prerequisites
	GEOL 102	General Geology (3)		Pre/Corequisite: A course that fulfills the A.1 GE Requirement and High School Math*
	GEOL 104	Geology Laboratory (1)		Pre/Corequisite: A course that fulfills the A.1 GE Req., HS math*, Concurrent or prior enrollment in GEOL 102
	GEOL 240	Historical Geology (4)		GEOL 106 or <i>both</i> GEOL 102, 104

Upper Division (take at least 9 additional units of geology approved in advance by the Undergraduate Advisor).

Grade	Course #	Course Title	Semester	Prerequisites
