

MINOR IN GEOLOGY

Minor Requirements Worksheet

2017-2018 Catalog

Name: _____

Student ID: _____

NOTE: This checklist is not intended to replace advising from the major department. Students should consult with the major advisor to determine the appropriate sequence of courses. This checklist is to inform students of major requirements and course prerequisites only. CSULB Enrollment Services prepares the Academic Requirements Report, which is the official graduation verification.

*Before adding any minors, students must check to see if this addition will affect CSULB's Timely Graduation for Undergraduate Students policy. Under this policy, students may earn up to 120% of the number of units required for the degree in their **declared primary major**. In addition, the policy requires that a student must file a Request to Graduate form with Enrollment Services by the time the student has completed 100% of the units required for the declared primary major. Any additional degree objectives (e.g., majors, minors, certificates, etc.) must be completed within the 120% unit limit. For more information, see www.csulb.edu/registration-and-records/timely-graduation.*

The **20-unit** minor in Geology is available to any non-Geology major.

Semester	Grade	Course #	Course Title	Prerequisites
		GEOL 102	General Geology (3)	<i>Pre/Corequisite:</i> course that fulfills the A1 GE and 3 yrs. of H.S. math*
		GEOL 104	Geology Laboratory (1)	<i>Pre/Corequisite:</i> course that fulfills the A1 GE and 3 yrs. of H.S. math*, concurrent or prior enrollment in GEOL 102
		GEOL 240	Historical Geology (4)	GEOL 106 or both GEOL 102, 104

**See catalog for more detail*

UPPER DIVISION

Choose at least 9 additional units of geology approved in advance by the Undergraduate Advisor:

Semester	Grade	Course #	Course Title	Prerequisites

NOTE: GEOL 102 + GEOL 104 + GEOL 240 + 9 units of upper division GEOL = 17 units. Three more units of GEOL, either upper or lower division are required to bring the GEOL unit total to 20 units.
