GENERAL EDUCATION REQUIREMENTS

A candidate for a bachelor's degree at California State College, Long Beach must complete a minimum general education requirement of 40 semester units. The student must complete not less than six units in each of the categories I to IV and not less than a total of 32 units in categories I to V. In categories I to IV, no more than 9 units in the category in which the student's major is listed may be used to satisfy general education requirements. No courses in the student's major department may be used to satisfy the 40 units of general education with the exception of those in category V. Satisfactory completion of the Honors Program automatically satisfies the General Education requirement completely with the exception of category V. Various ethnic studies courses offered by Black Studies, Mexican-American Studies, Asian American Studies, and American Indian Studies may be used to meet appropriate General Education requirements. Lists of courses and the categories for which they have been approved are available at department offices and the Information Desk.

- I. NATURAL SCIENCE--Two or more courses (totaling six or more units) in the departments of Biology (which includes anatomy and physiology, biology, botany, entomology, and zoology); chemistry; geology; microbiology; or physics (which includes astronomy and physical science). At least one laboratory science course must be included.
- II. - III. HUMANITIES--Two or more courses (totaling six or more units). One of these must be either a philosophy course (offered by the Department of Philosophy), a religious studies course (offered by the Area of Religious Studies), or a literature course offered by one of the following departments: English, Comparative Literature, French-Italian, German, Classics or Eastern Languages or Spanish-Portuguese.

A second course in this category must be an appropriate course in one of the following departments: Art, Dance, Music, or Theatre Arts. (The departments named will decide which of their courses are appropriate.)

- IV. The student has the option of receiving credit by examination; departments will make such examinations available. A student who fails any such examination has the option of repeating the examination without penalty, or taking the course(s) which satisfy the requirement. A student who has met any of these requirements prior to enrollment at California State College, Long Beach, is exempt. Unit credit (to be included in the 40-unit general education requirement total and in the total number of units required for graduation, but not in the student's grade point average) shall be granted for satisfactory completion of examination in these subjects.
