

Spring 2000 Schedule of Classes

We've Been Busy

The new and improved Schedule of Classes for Spring 2000 is easy to navigate and will lead you to all the information you need as a student at CSULB! We have added:

- Lists of contents at the beginning of each section and subsection to help you find the information you need
- An index to help you find specific topics
- A system of simple steps and checklists with references to more details and related information

If you do not find the answer you are looking for on the first page you try, you will find directions to another page, another publication, or a University office where you can find your answer.

General Education Courses

By Category

This is a list of courses that will count towards your General Education (GE) requirements if you take them this semester. Use the *List of Classes*, starting on page LC-1, to choose specific classes from each course.

All students:

Go to *Know Your General Education Requirements* on page 37 to check your progress and find out which courses you need to take.

Students under catalog year 1999-2000 or later:

Follow the "Three Stage Path" as described on page 38. The first courses you take should be UNIV 100 and one 3-unit course from each of the categories A1, A2, A3, and B2.

REMEMBER . . .

A class will count towards your general education requirement only if it appears in the list of General Education Courses in the *Schedule of Classes for the Semester in which you take that class.*

◆ Courses that meet the Human Diversity requirement (catalog years 1993-1994 and later)

▲ Courses that meet the Capstone requirement (catalog years 1999-2000 and later)

All courses listed in category D2a meet the Global Issues requirement (catalog years 1999-2000 and later)

Apply each GE class you take to one category only, even when the course is listed under more than one category.

Notes:

Several GE Courses have had their numbers or department designations changed; see the box on page 69 for a list of these changes.

UNIV 300I and 301I are approved General Education courses. Specific GE categories were not known at the time of publication. See *List of Classes*, page LC-67
