COURSE NAME: _____

TERM: _____

Generative AI Non-use Pledge

I _____ pledge to submit only my own work for assignments in this course. I understand that using Generative AI software goes against the learning objectives and academic integrity expectations of this course.

I pledge that every part of the assignments I submit in this class is the product of my own thinking and labor, and executed to the best of my abilities.

I pledge to seek out help from the instructor about assignment expectations and the ethical use of Generative AI software in this course.

I acknowledge that using Generative AI software to create material for assignments that I submit in this course constitutes academic misconduct according to the University's Student Academic Misconduct Policy: Policy on Academic Integrity Regarding Cheating and Plagiarism.

I acknowledge that suspected use of Generative AI software in submitted assignments may result in a lower grade, pursuit of academic misconduct procedures, failure of the course, etc.
