## CATASTROPHIC WITHDRAWAL REQUEST – MEDICAL

A Catastrophic Withdrawal Request may be made in circumstances outside the student’s control in which serious illness or accident prevents the student from continuing classes and incompletes or other arrangements with the instructors are not possible. Catastrophic Withdrawal is intended to be considered on a case-by-case basis; it is not intended to be used more than once. Normally, consideration is for a complete withdrawal from a given term. All requests for catastrophic withdrawal require thorough and credible documentation. If approved, Catastrophic Withdrawal will be noted on the transcript with a symbol of **WE**. If it is necessary for a student to be out more than one semester, the student may be eligible for an [Educational Leave](#). For details, visit the Enrollment Services [website](#).

**DEADLINES:** The Catastrophic Withdrawal Request must be submitted as early as possible after the catastrophic event has occurred but no later than the last day of classes in the term in which the event occurred.
