

The **CSULB** Supplemental Application
For Transfer Students

IMPORTANT REMINDERS:

- Admission to all majors at CSULB is competitive. In addition to satisfying minimum CSU Upper Division Transfer eligibility requirements, admission determination is based on major specific criteria including lower division major preparation, General Education courses, and minimum GPA.
- Applicants will only be considered for the primary major listed on the application. **Changes to major cannot be requested once the application is submitted.**

The Supplemental Application submission period is:

- January for Fall admissions
- September for Spring admissions
- Specific dates and deadlines are found on the [Supplemental Application Website](#).

Applicants are encouraged to complete the Supplemental Application even if they haven't completed all lower division major preparation. **If space is available after all students meeting the minimum major GPA and course preparation have been accommodated, then CSU eligible students without the minimum major preparation will be considered.**

What is the Purpose of the Supplemental Application?

The Supplemental Application provides a means for transfer applicants to report their progress in completing:

- CSU Minimum Requirements
- The Major Specific lower division preparation coursework
- Associate Degree for Transfer (ADT) degree, if applicable

As preliminary admissions decisions will be based on the information provided in the Supplemental Application, the application should be completed carefully using your most recent academic information:

- Fall grades and planned Spring schedule for Fall applications.
- Summer grades and planned Fall schedule for Spring applications.
- Specific dates and deadlines are found on the [Transfer Eligibility Website](#).

How to Prepare for the Supplemental Application:

- Have unofficial transcripts from all institutions attended, or another detailed record of all college work completed, available. If applicable, you should also reference Advanced Placement Exam and other test scores, military credit, etc.
- Begin by reviewing the [major specific](#) requirements for the major to which you have applied. Applicants should then review their course history and determine which of their courses meet the CSULB major specific requirements.
- Calculate a Cumulative Transfer GPA from all schools attended including only **transferable courses**.

The Supplemental Application Challenges:

A challenging aspect of the Supplemental Application is determining which courses meet major specific requirements. To help with this, please review:

- [Determining Courses that Meet the CSULB Major Specific Admission Requirements \(PDF\)](#)

Calculating your overall college grade point average (GPA) can also be challenging, and we recommend consulting your transfer counselor. Remember to only count transferable (college level) courses.

Supplemental Application Features:

- The Supplemental Application is customized for each applicant based on information reported on the Cal State Apply application—including the major selected. This information is used to create specific questions to guide applicants through the Supplemental Application process.
- In the Supplemental Application, “Help” topics are available for most questions. Warning messages appear to help ensure the application is complete and accurate.
- At any point in the process, the applicant can **request an email be sent to themselves with a detailed report** of the questions and the answers they have provided so far. This is extremely helpful in reviewing your answers, or in seeking assistance from a college counselor. The email will also provide you with a personal record of your Supplemental Application.

Supplemental Application Preview

- The example provided in the next slide may assist you in understanding the type of questions that are asked and provide a feel for the experience.
- The applicant is not required to enter their detailed academic course history into the application. Instead, the applicant only indicates their status in completing each requirement.
- Transfer applicants will receive an email inviting them to complete the Supplemental Application. It can also be accessed during the submission period from the [Supplemental Application](#) page on the CSULB website.

Welcome!

We are pleased that you are taking the next step for admission consideration by completing the Transfer Supplemental Application. It is very important that you provide complete and accurate information as it will be used in determining your admissibility. Should you be offered admission, you will be required to submit transcripts and other information to verify the accuracy of this information. This supplemental application should only take a brief time to complete if you have reviewed your transcripts in advance. If you have not done so already, we recommend reviewing our "Overview of the Supplemental Application for Transfer Applicants" and "Determining Courses that Meet the Major Specific Admission Requirements" prior to completing this supplemental application. Detailed help is also available throughout the application. If you have any difficulties, please contact Enrollment Services at 562-985-5471. To proceed, first review any messages, or answer any questions which appear below, then click "Next."

A note about major requirements:

Applicants to the major will be considered for admission based on their completion of the requirements below. It is important to review each question carefully and to respond accurately. We encourage you to complete and submit the Transfer Supplemental Application regardless of your answers to ensure you continue to be considered for admission.

Minimum Lower Division Major Preparation

The following courses should be completed with a grade of "C" or better to prepare for the major. Please select the appropriate response for each: ---"Completed with a C or better" if you have already successfully completed the course ---"Planned" if the course is currently in-progress or if you will have completed the course by the end of Fall 2016. ---"Not Planned" if you will not have completed the course by the end of Fall 2016. This would include if you earned a "D", "C-" or "F" and will not be repeating the course.

ECON 100 - Principles of Macroeconomics	Completed with a "C" or better
Course Units: 4.0	Course A
	Grade:
ECON 101 - Principles of Microeconomics	Planned

Your Certification of Accuracy and Completeness

To be considered for admission, you must certify that:

- (1) the information provided in this Transfer Supplemental Application is complete and accurate;
- (2) you understand that the information will be used to determine your admissibility to CSULB; and,
- (3) you understand that admission decisions may be withdrawn for students who misreported or are not on track for meeting the terms of the admission offer.

Do you certify that you have read and agree to the three statements above?

[Help](#)

[Finish](#)

- ✓ The Information provided will be used in determining admission, applicants must certify that the information the reported is accurate and complete.
- ✓ If offered Conditional Admission, applicants will be required to submit official transcripts to confirm the accuracy of their Supplemental Application.

Applicants Pursuing an Associate Degree for Transfer (ADT) – SB-1440

For the ADT to be considered in the CSULB Admission Decision:

1. The Applicant must be pursuing (or have completed) the approved ADT program at the time of the application.
2. The ADT program must have been deemed “similar” to the major they are applying for at CSULB. Please review the ADT website.
3. The Community College must certify that the applicant is on track to complete the ADT degree in a timely manner.

If these are met:

- The ADT degree curriculum is used in lieu of the CSULB Major Specific Courses.
- The Supplemental Application will require applicants who reported an ADT degree on their CSU Application to update their status in completing a degree.
- Please note that ADT applicants will still be required to respond to questions regarding CSULB Major Specific Courses in the event that they do not complete the Transfer ADT degree.

For questions regarding the Supplemental Application or CSULB transfer admissions, contact CSULB Enrollment Services at 562-985-5471.

International students should contact Center for International Education at CIE-Admissions@csulb.edu
