INDEPENDENT AUDITORS' REPORT

To the Audit Committee and Board of Directors of
California State University, Long Beach Research Foundation

We have audited the accompanying financial statements of California State University, Long Beach Research Foundation (Foundation) – KKJZ-FM (KKJZ-FM), a department of the Foundation, which comprise the statement of assets, liabilities, and net assets as of June 30, 2017 and 2016, and the related statements of revenue, support, and expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of California State University, Long Beach Research Foundation – KKJZ-FM as of June 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

As discussed in Note 1, the financial statements of California State University, Long Beach Research Foundation – KKJZ-FM, are intended to present the financial position, the changes in financial position, and cash flows of only the activities maintained by KKJZ-FM. They do not purport to, and do not, present fairly the financial position or the results of operations of the Foundation, as of and for the years ended June 30, 2017 and 2016 in accordance with accounting principles generally accepted in the United States of America.

NOTE 1 – Summary of Significant Accounting Policies

Nature of Business

California State University, Long Beach Research Foundation (Foundation) holds a license from the Federal Communications Commission for noncommercial FM Station KKJZ, 88.1 (KKJZ-FM) with the main studio located on the campus of California State University, Long Beach (University). The Foundation has contracted with Global Jazz, Inc. (Global Jazz) to provide a source of programming, as well as programming services, for the station.

The Foundation also contracts with KKJZ Fundraising, Inc., a California corporation, to engage in fund-raising activities on behalf of the Foundation. All donations generated by KKJZ Fundraising, Inc. are held by the Foundation and are utilized to subsidize costs incurred by Global Jazz to operate the radio station. Global Jazz is a California corporation that maintains its own accounting records for daily operations. As such, these financial statements reflect only activities maintained by the Foundation's KKJZ-FM, which maintains separate accounting records, and do not purport to represent the financial position and results of operations of the Foundation, Global Jazz, or the radio station in its entirety.

Basis of Presentation of Financial Statements

KKJZ-FM reports information regarding its financial position and activities according to three classes of net assets: unrestricted, temporarily restricted, and permanently restricted. Accordingly, the net assets of the KKJZ-FM are classified and reported as described below:

Unrestricted Net Assets – Net assets that are not subject to donor-imposed restrictions.

Temporarily Restricted Net Assets – Net assets subject to donor-imposed stipulations that may or will be met either by actions of the Foundation and/or the passage of time. As the restrictions are satisfied, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the accompanying statements of activities as net assets released from restrictions.

Permanently Restricted Net Assets – Net assets subject to donor-imposed restrictions that the corpus be invested in perpetuity and only the income be made available for program operations in accordance with donor restrictions. Such income generally includes interest, dividends, and realized and unrealized earnings from the corpus.

NOTE 1 – Summary of Significant Accounting Policies (Continued)

Basis of Presentation of Financial Statements (Continued)

As of June 30, 2017 and 2016, KKJZ-FM had no temporarily or permanently restricted net assets.

Use of Estimates and Assumptions

Management uses estimates and assumptions in preparing the financial statements in accordance with accounting principles generally accepted in the United States of America. Those estimates and assumptions affect the reported amounts of assets and liabilities and the revenues and expenses. Actual results could vary from the estimates that were assumed in preparing the financial statements.

Contributions

Contributions including unconditional promises to give are recognized as support in the period received or pledged. Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and nature of any donor-imposed restrictions. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Contributions received that are designated for future periods or restricted by the donor for specific purposes are reported as temporarily restricted or permanently restricted support that increases those net asset classes. When a donor's stipulated time restriction ends or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

If a donor restriction expires in the same reporting period that the contribution was made, the contribution is reported as restricted support and also included in net assets released from restrictions in that reporting period.

Capital Assets

Capital assets of KKJZ-FM are stated at cost or, if acquired by gift, at estimated fair value at the date of donation. Major renewals and betterments are charged to capital assets, while replacements, maintenance and repairs that do not improve or extend the life of the respective assets are currently expensed. Depreciation and amortization is charged on a straight-line basis over the lives of the assets, which is five years.

Record Collection

Record collection items acquired on or after July 1, 1996 are capitalized at cost, if the items were purchased, or at their appraised or fair market value on the accession date, if the items were contributed. The value assigned to donated collection items was \$106,000 for both years ended June 30, 2017 and 2016.

Corporation for Public Broadcasting Community Service Grants

The Corporation for Public Broadcasting (CPB) is a private, nonprofit grantmaking organization responsible for funding more than 1,000 television and radio stations. CPB distributes annual Community Service Grants (CSGs) to qualifying public broadcasting entities. CSGs are used to augment the financial resources of public broadcasting entities and, thereby, to enhance the quality of programming and expand the scope of public broadcasting services. Each CSG may be expended over one or two federal fiscal years as described in the Communications Act, 47 United States Code Annotated, Section 396(k)(7). In any event, each grant must be expended within two years of the initial grant authorization.

According to the Communications Act, funds may be used at the discretion of recipients for purposes relating primarily to production and acquisition of programming. Also, the grants may be used to sustain activities begun with CSGs awarded in prior years.

Certain General Provisions must be satisfied in connection with application for and use of the grants to maintain eligibility and meet compliance requirements. These General Provisions pertain to the use of grant funds, record keeping, audits, financial reporting, mailing lists, and licensee status with the Federal Communications Commission.

The CSGs are reported on the accompanying financial statements as increases in unrestricted net assets as earned. Unspent CSGs are reported as deferred revenue on the accompanying statement of assets, liabilities, and net assets.
