Online Career Tools Showcase

The CDC hosted Online Career Tools Showcases for faculty and staff in January and March 2022 to highlight online career resources that can be incorporated into class assignments. Resources covered included the CareerLINK Job Board, CareerShift, Candid Career, GoinGlobal, Big Interview, and Forage. Attendees received a demo of each tool as well as sample assignments for their class. The College of Health and Human Services has been one of the biggest users of CDC online resources.

Of the 55 Big Interview class assignments created by CSULB faculty/ staff in 2022, one-third were for CHHS classes, including Criminal Justice, Health Care Administration, Hospitality, Nutrition and Social Work.
