	by <b>Keith Fulthorp</b> in <b>2024 COAPRT Annual Report</b>	id. 45743442
	Department of Recreation and Leisure Studies California State University, Long Beach Long Beach, California 90840 United States 562-985-4071 keith.fulthorp@csulb.edu	

## Original Submission 03/01/2024

Score	n/a
Each accredited program requires its own separate annual report.	For example if your institution has two accredited programs e.g. Therapeutic Recreation and Recreation Management you will complete two separate annual reports.
	Section 1: Contact Information
Name of institution	California State University - Long Beach
Name of Accredited Program	BS-Recreation Therapy
Total number of students enrolled in this program.	84
Name and contact information of the Primary Contact for your COAPRT Accredited Program(s). All communications will be sent to this person.	Terry Robertson
Position Title	Professor, Dept. Chair

---

Department Name Department of Recreation & Leisure Studies

---

Website <https://www.csulb.edu/college-of-health-human-services/recreation-and-leisure-studies>

---

Formal Name of your Institution's President Dr. Jane Close Conoley, Ph.D>

---

## Section 2: Intent to Pursue Accreditation

---

Does the academic unit intend to pursue accreditation or re-accreditation as originally scheduled? Yes

---

Regional Accreditation: Is the institution currently accredited by the appropriate regional accrediting association approved by the Council for Higher Education Accreditation (CHEA) or by the current national accrediting body (Standard 1.02)? Yes

---

## Section 3: Statistics Summary Report - Faculty

---

Are there a minimum of two full-time faculty members and a minimum of one additional full-time equivalent faculty position (FTE) assigned to and instruct in the program? (Standard 1.03)

Yes

Do a minimum of two full-time faculty members hold a degree of masters or higher, and a degree of bachelors or above in parks, recreation, tourism or related field? (Standard 1.04)

Yes

Do all individuals instructing in the program have the competence and credentials in the subject matter for which they are responsible? (Standard 1.05)

Yes

Section 4: Statistics Report - Students Note: Council adopted the Graduation Rate definition used by the National Center for Education Statistics, <https://nces.ed.gov/ipeds/use-the-data/survey-components/9/graduation-rates>. As required by the Council on Higher Education Accreditation (CHEA), COAPRT is mandated to engage in “regular, critical, self-evaluation of its performance, standards, policies and impact” (CHEA Standard 12.M.1). This process includes “the review of aggregate information regarding the extent to which the accredited institutions or programs are achieving their expectations for student learning” (CHEA Standard 12.M.1). To meet this CHEA standards we are collecting the following program level data: Graduate school acceptance rate, post-graduation employment rate, and six-year graduation rate. This data will be collected and reported for each COAPRT accredited program within your department and not aggregated across multiple COAPRT accredited programs. Suggested sources of evidence for this program-level data could include alumni or senior exit surveys completed within x months of graduation, centrally collected data if it can be dis-aggregated for each of your programs, self-report in a department data-base, etc.

Six-year graduation rate	81%
Graduate school acceptance rate	Report the number of last year's graduates from the accredited program who indicated they have been accepted to graduate school, the percent of the graduating class this number represents, the method of data collection, and the response rate or percent of graduating students for whom you have data. See examples below: Example A (have data) Number accepted to graduate school: 7 Percent of graduating students: 11% Method of measurement: Survey collected three months post-graduation Response rate: 83% of graduating students responded to survey Notes: We will monitor and assure we continue to achieve a response rate of greater than 80% Example B (have data) Number accepted to graduate school: 3 Percent of graduating students: 18% Method of measurement: Self-report on department database Response rate: 53% of graduating students Notes: We haven't worked to increase our response rate but will now use a student-employee to help us secure a response rate of 85%
Graduate School Acceptance Rate	3
Method of measurement	Self Report on Alumni Survey sent out by CSULB Alumni Office
Response rate	30%
Notes	Very low response rate. Will continue to work with CSULB Alumni Office to increase reponse rate. Survey was sent to graduates one year after graduation.
Post-graduate employment rate	Report the number of last year's graduates from the accredited program who indicate they are currently employed (your program needs to determine if it will count part-time, employment outside the PRT profession, if it will subtract out those students from the total count who are not seeking employment for whatever reason, etc.), the percent of the graduating class this number represents, the method of data collection, and the response rate or percent of graduating students for whom you have data. See examples below: Example A (have data) Number of employed students: 56 Percent of graduating students: 78% Method of measurement: Self-report on department database up to three-months post-graduation. Academic advisor reminds students to submit their employment data during the three-month window. Response Rate: 89% Notes: Not applicable Example B (have data) Number of employed students: 36 Percent of graduating students: 64% Method of measurement: Self-report on department database Response Rate: 44% of graduated students Notes: We haven't ever followed up with students to increase our response rate, we will have our part-time club advisor do that in the future to bring up our response rate to at least 80%
Post-graduate employment rate	95% of those that responded to survey reported being employed full time

Method of measurement	Self Report via CSULB Alumni Survey sent out one year after graduation
Response rate	30%
Notes	<p>High rate of reported employment, but very low response rate on overall survey. Will continue to work with CSULB Alumni Office to increase response rates.</p> <p>Section 5: Narrative Report - Learning Outcomes Assessment For the next section, please report learning outcomes - one for each of the 7.01, 7.02, 7.03, and 7.04 (for a total of four measures) of student learning and the related outcomes for each program. These outcomes should be a part of your program's annual assessment plan as indicated in COAPRT standard 2.05.05 and will also be published on the COAPRT Program List webpage. You will complete this for each of your COAPRT accredited programs. For instance, if you have two accredited programs such as a Recreation Program and a Therapeutic Recreation Program, you will submit two sets of learning outcomes - one set for each program. It is strongly suggested that you have your outcomes with you as you complete this questionnaire. TWO of the three outcomes must use direct measures. Some examples of DIRECT measures include the following: Capstone Assignment Quality Comprehensive Examination Internship Evaluation Performance of Relevant Skill Portfolio Evaluation Pre/Post Test Result Presentation Quality Project Quality Standardized Test Result Thesis/Project Quality Video/Audiotape Production Quality Written Assignment Evaluation Writing Exam Result Some examples of INDIRECT measures include the following: Advisory Board Evaluation Alumni Survey Curriculum Review Result Employer Survey Result Exit/Student Interview Result Focus Group Result Graduate School Acceptance Rate Honors/Awards Received by the Program</p> <p>Section 5-1: Narrative Report - Learning Outcomes Assessment Please provide the following information COAPRT expects all programs to demonstrate that student learning outcomes associated with its 7.0 Series Learning Outcomes are met at a 70% level. Therefore, student achievement will be judged as appropriate when 70% or more of the students being assessed demonstrate that they have accomplished the learning outcome.</p>
PROGRAM (include name of program and description): Please provide a short description of this COAPRT program, it will be published on the COAPRT Program online directory.	<p>The Department of Recreation and Leisure Studies (RLS) is one of 12 discreet departments in the College of Health and Human Services (CHHS) at California State University Long Beach, which is accredited by the Western Association of Schools and Colleges (WASC). Established in 1965, the department has been in existence for 52 years serving undergraduate and graduate populations. The Department has been accredited through the Council on Accreditation for Parks, Recreation, Tourism and Related Professions (COAPRT) for over 30 years. RLS offers two undergraduate programs of study: a Bachelor's of Arts in Recreation with concentrations in: Parks &amp; Recreation Management; Outdoor Recreation and Adventure Leadership; and Tourism Management; Additionally the department offers a Bachelors of Science in Recreation Therapy.</p>

Provide the program-specific learning outcome consistent with COAPRT Standard 7.01: Students graduating from the program shall demonstrate the following entry-level knowledge: a) the nature and scope of the relevant park, recreation, tourism or related professions and their associated industries; b) techniques and processes used by professionals and workers in these industries; and c) the foundation of the profession in history, science and philosophy.

REC 351: Role and function of therapeutic recreation professionals in public health and systems such as medical, recreation, education, and related health and human services

---

Describe the method by which the learning outcome for Standard 7.01 was assessed:

Field Involvement Assignment

---

Indicate whether this outcome measure is Direct or Indirect.

Direct

---

State your program's standard for demonstrating that your Student Learning Outcome for 7.01 was successfully achieved.

70% of students will achieve 80% or higher on the assignment.

---

Result of the assessment of the learning outcome for Standard 7.01:

More than 70% of students achieved 80% or higher on the assignment.

---

Please provide the program-specific learning outcome consistent with COAPRT Standard 7.02. Students graduating from the program shall be able to demonstrate the ability to design, implement, and evaluate services that facilitate targeted human experiences and that embrace personal and cultural dimensions of diversity.

REC 453 Utilize assessment results to develop person-centered contextualized plans that meet agency and regulatory requirements and identify individualized person-centered needs/goals/measurable objectives, and outcomes

---

Describe the method by which the learning outcome for Standard 7.02 was assessed:

Treatment Plan Assignment

---

Please indicate whether this outcome measure is Direct or Indirect.

Direct

---

State your program's standard for demonstrating that your Student Learning Outcome for 7.02 was successfully achieved.

70% of students will achieve 80% or higher on the assignment.

---

Result of the assessment of the learning outcome for Standard 7.02:

More than 70% of students achieved 80% or higher on a course assignment, Treatment Plan Assignment.

---

Please provide the program-specific learning outcome consistent with COAPRT Standard 7.03. Students graduating from the program shall be able to demonstrate entry-level knowledge about operations and strategic management/administration in parks, recreation, tourism and/or related professions.

REC 451 Knowledge of management theories and functions, organizational structures, and ethical management practices

---

Describe the method by which the learning outcome for Standard 7.03 was assessed:

RT Evaluation Presentation

---

Please indicate whether this outcome measure is Direct or Indirect.

Direct

---

State your program's standard for demonstrating that your Student Learning Outcome for 7.03 was successfully achieved.

70% of students will achieve 80% or higher on the assignment.

---

Result of the assessment of the learning outcome for Standard 7.03:

More than 70% of students achieved 80% or higher on a course assignment, RT Evaluation Presentation.

---

Please provide the program-specific learning outcome consistent with COAPRT Standard 7.04. Students graduating from the program shall demonstrate, through a comprehensive internship of not less than 400 clock hours and no fewer than 10 weeks, the potential to succeed as professionals at supervisory or higher levels in park, recreation, tourism or related organizations.

---

Describe the method by which the learning outcome for Standard 7.04 was assessed:

REC 498- 600hr Internship  
Final Course Grade

Please indicate whether this outcome measure is Direct or Indirect.

Direct

State your program's standard for demonstrating that your Student Learning Outcome for 7.04 was successfully achieved.

100% of Students will earn a grade B or above

Result of the assessment of the learning outcome for Standard 7.04:

100% of Students scored a grade B or above; no changes at this time.

An important aspect of accreditation is accountability. It is expected that the program annually posts 7.0 series aggregated data and additional evidence reflecting program academic quality and student achievement on their program and/or departmental website. Such information shall be consistent with The Family Educational Rights and Privacy Act (FERPA) requirements (Standard 2.05.05).

---

Please provide a link to the program's website that demonstrates compliance with Standard 2.05.05. <https://www.csulb.edu/college-of-health-human-services/recreation-and-leisure-studies>

---

It is expected that a program has a practice of informing the public about the harm of degree mills and accreditation mills (Standard 3.06).

---

Please provide a link to the program's website demonstrating compliance with Standard 3.06. <https://www.csulb.edu/college-of-health-human-services/recreation-and-leisure-studies/academic-accreditation>

---

It is expected that the program has a practice of informing the public about their COAPRT accredited programs (Standard 3.07).

---

Please provide a link to the program's website demonstrating compliance with Standard 3.07. <https://www.csulb.edu/college-of-health-human-services/recreation-and-leisure-studies/academic-accreditation>

---

### Section 7: Program Changes

---

Clearly describe any major changes for the reporting year in the program's strategic plan, curriculum, resources, administration, or other areas of the program directly related to accreditation standards. Please include the Standard number. If there are no major changes in any of these areas, please just indicate "none".

NCRTC increased the course RT Course requirement from 5 courses to 6. As a result, our RT program moved over the CSULB Unit cap for a BA degree. Our program successfully navigated the process to move from a BA in Recreation- Option in RT to a B.S. In Recreation Therapy; this newly approved track will begin Fall 2023. Current students are being advised to take the additional RT course to meet NCTRC requirements.

---

The responses are self reported and the responsibility for the accuracy of the content is on behalf of the program. checked
