SCHOOL OF SOCIAL WORK APPROVED STATISTICS COURSES

(AS OF JUNE 2024)

Courses are organized by University/College/Institution, alphabetically.

If your course does not appear on this list, please contact the School of Social Work at 562) 985-5654 or chhs-sw@csulb.edu for additional assistance.

A

Aberystwyth University - PS21310 - Quantitive Research Methods

Abilene Christian University - MATH 123 - Introduction to Probability and Statistics

Abilene Christian University - SOCI 416 - Social Statistics

Adelphi University - MATH 113 - Survey of Statistics

Agnes Scott College - MATH 115B - Elementary Statistics

Air Force Academy - Beh Sci 231 - Basic Research Methods and Statistical Tools

Air Force Academy - Beh Sci 332 - Advanced Research Methods and Statistical Tools

Albion College - PSYC 306 - Research Methods & STAT II

Albright College - MAT 110 - Elementary Statistics

Allan Hancock College - MATH 123 - Elementary Statistics

Alvernia University - MAT 208 - Introductory Statistics

American Public University System - Math 120 - Introduction to Sttatistics

American Public University System - SOCI 332 - Statistics for Social Science

American River College - PSYC 330 - Introduction to Statistics for the Behavioral Sciences

American River College - STAT 300 - Introduction to Probability and Statistics

American River College - STAT 301 - Introduction to Probability and Statistics

American University - STAT 202 - Basic Statistics

Amherst College - PSYC 122 - Statistics and Experimental Design

Anderson University - MAT 108 - Finite Probability and Statistics I

Andrew College - MAT 201 - Introduction to Statistics

Anne Arundel Community College - MAT 135 - Elementary Statistics

Antelope Valley College - MATH 115 - Statistics

Antioch University - MAT 403 - Descriptive and Inferential Statistics

Appalachian State University - STT 2810 - Introduction to Statistics

Appalachian State University - STT 2820 - Reasoning with Statistics

Argosy University - MAT 112 - General Education Statistics

Argosy University - PSY 210 - Psychological Statistics

Arizona State University - JUS 302 - Statistical Analysis for Justice Studies

Arizona State University - SWU 321 - Statistics for Social Workers

Arizona State University - STP 226 - Elements of Statistics

Arizona State University - QBA 221 - Statistical Analysis

Arizona State University - ECN 221 - Business Statistics

Arizona State University - COM 408 - Quantitative Research Methods in Communication

Arizona State University - SOC 390 - Social Statistics I

Ashford University - PSY 325 - Statistics for the Behavioral and Social Sciences

Atlanta Metropolitan State College - Math 1114 - Elementary Statistics

Auburn University - STAT 2010 - Statisitcs for Social and behavioral Sciences

Augsburg University - MAT 163 - Introductory Statistics

Aurora University - SWK 4300 - Social Work Research II

Austin Peay State University - PSY 2010 - Statistics for Behavioral Sciences

Averett University - PSY/SOC 308 - Statistics for the Social Sciences

Avondale University College - BBUS 14050 - Business Statistics

Azusa Pacific University - MATH 130 - Introduction to Statistics

Azusa Pacific University - PSYC 299 - Applied Statistics

Azusa Pacific University - Stat 280 - Applied Statistics

B

Baekseok University - Basic Stats 01138 - Basic Statistics 01138

Bakersfield College - Math B22 - Elementary Probability and Statistics

Bakersfield College - PSYC B5 - Elementary Statistics for the Behavioral and Social Sciences

Bard College at Simon's Rock - Math 110 - introduction to Statistics

Barstow Community College - Math 2 - Introduction to Statistics

Bates College - PLTC 218 - Statistics for Political Analysis

Baylor University - SWO 3401 (or SWO 4401) - Statistics for Social Workers

Beijing Information Science & Technology University - 0BL05509 - Econometrics

Beijing Information Science & Technology University - 0BL05903 - Statistics

Bellevue College - MATH 130 - Introduction to Statistics

Belmont University - MATH 1150 - Elementary Statistics

Benedictine College - Ma 211 - Applied Statistics

Bennett College - SO 254 (or SW 254) - Social Statistics

Berkeley City College - Math 13 - Introduction to Statistics

Bethany University - PSYC 3333/BUSI 3333 - Statictics

Bethel University - PSY 230M - Introduction to Statistical Methods and Experimental Design

Bethune Cookman University - PS 430 - Statistics in Psychological Research

Biju Patnaik University of Technology - BSCM 2202 - Mathematics - IV

Binghamton University (SUNY) - Psychology 243 - Statistical Analysis and Design

Biola University - BUSN 190 - Business Statistics

Biola University - CPSY 208 - Statistics with Computer Applications

Biola University - MATH 210 - Introduction to Probability and Statistics

Biola University - ORLD 360 - Statistical Methods and Research

Biola University - PSYC 209/211 - Statistics with Computer Applications/Lab

Biola University - PSYC 210 - Statistics with Computer Applications

Biola University - RSPY 502 (or PSYC 420) - Advanced Statistics

Bishop O'Dowd High School - AP Statistics - Advanced Statistics

Boise State University - SOC 310 - Elementary Social Statistics

Boise State University - PSY 405/405G - Advanced Statistical Methods

Boise State University - Math 123/SOCWRK 380-001 COMBINED - see above

Borough of Manhattan Community College (CUNY) - MAT 150 - Introduction to Statistics

Boston College - SC200 - Statistics

Boston College - EC151 - Statisctics for Business and Economics

Boston University - COM CM 321S - Mass Communication Research

Boston University - MA 113 - Elementary Statistics

Boston University - CAS MA 115 & CAS MA 116 - Statistics I & Statistics II (both required)

Boston University - CAS-PS-211-A1 - Experimental Design in Psychology

Boston University - 18872 - Basic Statistics and Probability

Bradley University - MTH 111 - Elementary Statistics

Brandman University - MATU 203 - Introduction to Statistics

Brentwood Center of Los Medanos College - MATH 34 - Statistics and Probability

Brescia University - SW 410 - Research and Statistics

Bridgewater State University (College) - PSYC 201 - Statistics for Psychology

Bridgewater State University (College) - SCWK 375 - Data Analysis for Social Work

Brigham Young University - STAT 121 - Principles of Statistics

Brigham Young University - STAT 221 - Principles of Statistics

Brigham Young University - SOC W 402 - Applied Social Work Statistics

Brigham Young University - PSYCH 308 - Psychological Statistics

Brigham Young University - PSYCH 301 - Psychological Statistics

Brigham Young University - Hawaii - SOCW 486 - Social Research Methods and Applied Statistics

Brigham Young University - Hawaii - MATH 221 - Principles of Statistics I

Brigham Young University - Idaho - MATH 221C (or FDMAT 223) - Social Science Statistics

Brigham Young University - Idaho - FDMAT 222 - Biostatistics

Brigham Young University Idaho - MATH 221B - Biostatistics

Brooklyn College - Psyc 3400 - Psychology Stats

Brown University - CLPS 0900 - Quantitative Methods in Psychology

Bucknell University - Math 216 - Statistics I

Buffalo State (SUNY College at Buffalo) - SOC 301 - Social Statistics

Buffalo State (SUNY College at Buffalo) - PSY 306 - Statistics in Psychological Research

Butte College - MATH 18 - Introduction to Statistics

C

Cabrillo College - PSY 2A - Statistics for the Behavioral Sciences

Cabrillo College - MATH 12 - Elementary Statistics

Cal Poly Pomona - BHS 307 - Statistics for the Behavioral Sciences

Cal Poly Pomona - PSY 307/307A - Statistics for the Behavioral Sciences

Cal Poly Pomona - SOC 307/307A - Statistics for the Behavioral Sciences

Cal Poly Pomona - SOC 3307/3307L - Statistics for Sociology Laboratory

Cal Poly Pomona - STA 1200 (STA 120) - Statistics with Applications

Cal Poly San Luis Obispo - STAT 217 - Introduction to Statistical Concepts and Methods

Cal Poly San Luis Obispo - STAT 313 - Applied Experimental Design and Regression Models

Cal Poly San Luis Obispo - Stat 312 - Statistical Methods for Engineers

Cal Poly San Luis Obispo - STAT 251 & STAT 252 (both required) - Statistical Inference for Management I & II (both required)

Cal Poly San Luis Obispo - STAT 218 - Applied Statistics for the Life Sciences

Cal Poly San Luis Obispo - SOC 355 - Social Data Collection and Analysis (or Quantitative Research Methods)

Cal Poly San Luis Obispo - STAT 221 - Introduction to Probability and Statistics

California Baptist University - BEH 350 - Statistics for the Behavioral Sciences

California Baptist University - BEH 383 - Statistical Techniques in Behavioral Science with SPSS

California Baptist University - BEH 385 - Methods of Research

California Lutheran University - PSYC 312 & PSYC 313 (both required) - Research Design & Statistics I and II (both required)

California Lutheran University - PSY 311 / 311L (LAB) - Statistics

California Lutheran University - PSYC 313 - Research Design & Statistics II

California Lutheran University - Criminal Justice 311 - Statistics

California Lutheran University - SOC 430 - Quantitative Research Methods

California Lutheran University - ECON 311 - Statistical Methods

California Polytechnic State University, Pomona - Political Science 205 - Introduction to Research Methods

California Southern University - PSY 2504 - Fundamentals of Research Methodology

Calirofnia Baptist University - BEH 383 A - Statistics and Research Methodology

Calvin College - SOC 255 (or SOWK 255) - Social Science Statistics

Cañada College - MATH 200 - Probability and Statistics

Capella University - PSY 7626 - Multivariate Statistics: Theory and Application

Capital Community College - MAT 120 - Elementary Statistics

Capital University - SOSCI210 - Social Science Statistics

Carleton College - ECON 329 (or ECON 332) - Econometrics

Carthage College - MTH 1050 - Elementary Statistics

Catholic University of America - EDUC 633 - Introductory Statistics for the Behavioral Sciences

Catholic University of America - MATH 114 - Probability and Statistics

Cayuga Community College - Math 214 - Statistics

Central Connecticut State University - Stat 215-05 - Statistics for Behavioral Sciences I

Central Michigan University - PSY 211 - introductory Pshychological Statistics

Central Wyoming College - STAT 2050 - Fundamentals of Statistics

Cerritos College - PSYC 210 - Elementary Statistics

Cerritos College - MATH 112 - Elementary Statistics

Cerro Coso Community College - MATH C121 - Elementary Probability and Statistics

Chabot College - MTH 43 - Introduction to Probability and Statistics

Chaffey College - SCSCI 10 - Statistics for Social Science

Chaffey College - STAT 10 - Elementary Statistics

Chaminade University - CJ 315 (or PSYC 315) - Behavioral Sciences Statistics

Champlain College - MTH 180 - Introduction to Statistics

Chandler Gilbert Community College - PSY 230 - Introduction to Statistics

Chapman University - PSY 203 - Statistics for the Behavioral Sciences

Chapman University - SOC 307 - Survey Research

Chapman University - MGSC 209 - Introductory Business Statistics

Chapman University - MATH 203 - Introduction to Statistics

Chesapeake College - MAT 204 - Introduction to Statistics

Chestnut Hill College - MATH 262 - Probability and Statistics

Christopher Newport University - MATH 125 - Elementary Statistics

Citrus College - MATH 165 - Introductory Statistics

Citrus College - PSY 103 - Statistics for the Social and

Behavioral Sciences

City College of San Francisco - MATH 80 - Probability and Statistics

City College of San Francisco - PSYC 5 - Statistics for Behavioral Sciences

City University of Seattle - MTH 110 - Intro to Stats

Claremont McKenna College - PSYC 109 CM - Introduction to Statistics for Psychologists

Claremont McKenna College - ECON 120 CM - Statistics

Clark Atlanta University - CUSW 301 & CUSW 302 (both required) - Statistics and Methods of Social Research I and II (both required)

Clemson University - STAT 2300 - Statistical Methods 1

Clemson University - STAT 2220 - Statistics in Everyday life

Cloud County Community College - MA114 - Elementary Statistics

Clovis Community College - Stat 7 - Elementary Statistics

Coastline College - MATH C160 (or MATH 160) - Introduction to Statistics

Coastline College - PSYC C280 - Research Methods/Psychology

Coconino Community College - PSY 230 - Introduction to Statistics

College of Alameda - MATH 13 - Introduction to Statistics

College of Central Florida - STA 2023 - Elementary Statistics

College of Engineering, Guindy - Anna University - MAO34 - Random Processes

College of Engineering, Guindy - Anna University - MA131, MA132, & MA231 - Mathematics I, II, & III

College of Engineering, Guindy - Anna University - MA038 - Numberical Methods

College of Marin - Math 115 - Probability and Statistics

College of Marin - SOC 205 - Introduction to Research Methods and Data Analysis in Sociology

College of Marin - STAT 115 - Introduction to Statistics

College of San Mateo - Math 200 - Elementary Probability and statistics

College of Southern Nevada - ECON 261 - Principles of Statistics I

College of Southern Nevada - PSY 210 (or SOC 210) - Introduction to Statistical Methods

College of the Canyons - Math 140 - Introductory Statistics

College of the Canyons - SOCI 137 - Statistics for the Social Sciences

College of the Canyons - SOCI 135 - Statistics for the Social & Behavioral Sciences

College of the Canyons - Psych 104 - Statistics of the Behavior Science

College of the Desert - SOC 003 - Fundamentals of Statistics

College of the Desert - MATH 014 - Statistical Methods

College of the Holy Cross - PSYCH 200 - Statistics

College of the Ozarks - MAT 343 - Probability and Statistics

College of the Redwoods - MATH 15 - Elementary Statistics

College of the Sequoias - MATH 21 - Introduction to Statistics

College of the Siskiyous - MATH 1050 (or MATH 2) - Elementary Statistics

Collin County Community College - MATH 1342 - Elementary Statistical Methods

Colorado Christian University - MAT-250A - Introduction to Research and Applied Statistics

Colorado Christian University - MAT 212 - Probability and Statistics for Business and Social Sciences

Colorado Mesa University (formerly Mesa State College) - STAT 200 - Probability & Statistics

Colorado State University - SOC 210-001 - Quantitative Sociological Analysis

Colorado State University - STAT 201 - General Statistics

Colorado State University - STAT 301 - Introduction to Statistical Methods

Colorado State University - STAT 311 - Statistics for Behavioral Science 1

Columbia College (Columbia, Missouri) - BIOL 324 (or PSYC 324 or SOCI 324) - Statistics for the Behavioral and Natural Sciences

Columbia Southern University - MA 2023 - Elementary Statistics

Columbia State Community College - MATH 1530 - Elementary Statistics

Columbia University - SOCWT 6505 - Introduction to Statistics

Columbia-Greene Community College - MA 102-04 - Statistics

Community College of Baltimore County - Math 131 - Introduction to Statistical Methods

Community College of Philadelphia - PSYC 167 - Foundations of Statistical Methods for Social and Behavioral Sciences

Community College of Vermont - MAT 2021 - Statistics I

Compton College - MATH 150 - Elementary Statistics

Concordia University - BSC 265 - Statistics for the Behavioral Sciences

Concordia University - MTH 265 - Introduction to Statistics

Concordia University - MATH 122 - Introduction to Statistics

Consumnes River College - PSYC 330 - Introductory Stats for the Behavioral Sciences

Contra Costa College - MATH 164 - Introduction to Probability and Statistics

Copper Mountain College - MATH 014 - Statistical Methods

Cornell University - HADM2010 - Hospitality Quantitative Analysis

Cosumnes River College - STAT 300 - Introduction to Probability & Statistics

Covenant College - STA 251 - Elementary Statistical Methods

Crafton Hills College - MATH 108 - Statistics

Crafton Hills College - MATH 110 - Statistics and Probability

Crafton Hills College - Psychology 120 - Statistics

CSU, Bakersfield - MATH 140 - Elementary Statistics

CSU, Channel Islands - BIO 203 - Quantitative Methods for Biology

CSU, Channel Islands - PSY 303 - Statistical Applications in the Social Sciences

CSU, Channel Islands - SOC 303 - Statistical Applications in the Social Sciences

CSU, Channel Islands - PSY 202 (MATH 202 - Cross listed courses) - Biostatistics

CSU, Channel Islands - MATH 202 - Biostatistics

CSU, Channel Islands - MATH 329 - Statistics for Business and Economics

CSU, Channel Islands - PSY 300 & PSY 301 (both required) - Psychological Research and Statistical Methods I & II (both required)

CSU, Chico - PSYC 364 (or PSYC 107) - Statistical Methods in Psychology

CSU, Chico - SOCI 315 - Statistical Analysis for Social Science

CSU, Chico - MATH 315 (or MATH 215) - Applied Statistical Methods I

CSU, Chico - MATH 105H - Honors Statistics

CSU, Chico - MATH 105 - Statistics

CSU, Chico - ECON 180 (or ECON 380) - Economic Statistics

CSU, Dominguez Hills - MAT 207 - Mathematics for Elementary School Teachers

CSU, Dominguez Hills - MAT 132 - Statistics and Probability with Support

CSU, Dominguez Hills - SOC 220 - Analytical Statistics for Sociology

CSU, Dominguez Hills - PUB 305 - Applied Statistics in Public Administration

CSU, Dominguez Hills - MAT 321 - Probability and Statistics

CSU, Dominguez Hills - PSY 230 - Elementary Statistical Analysis in Psychology

CSU, Dominguez Hills - CDV 320 - Methods and Analysis in Child Safety

CSU, Dominguez Hills - POL 300 - Quantitative Methods and political Analysis

CSU, Dominguez Hills - MAT 131 - Elementary Statistics and Probability

CSU, Dominguez Hills - SOC 305 - Methods of Sociological Research

CSU, Dominguez Hills - KIN 300 - Tests and Measurements in Kinesiology

CSU, Dominguez Hills - HUS 460 - Research Methods in Human Services

CSU, Dominguez Hills - GED 500 - Research Methods in Education

CSU, Dominguez Hills - CJA 341 - Statistics in Criminal Justice Administration

CSU, Dominguez Hills - CDV 420 - Methods and Analysis in Child Safety

CSU, Dominguez Hills - PSY 330 - Behavioral Statistics and Research Design

CSU, Dominguez Hills - MAT 195 - Selected Topis in Mathematics

CSU, East Bay - STAT 1000 - Elements of Probability and Statistics

CSU, East Bay - STAT 3010 - Statistical Methods in the Social Sciences

CSU, Fresno - DS 123 - Statistical Analysis II

CSU, Fresno - SOC 125 - Statistics for the Social Sciences

CSU, Fresno - PSYCH 42 - Introductory Statistics

CSU, Fresno - MATH 11 - Elementary Statistics

CSU, Fresno - ERE 153 - Educational Statistics

CSU, Fresno - CRIM 50 - Statistical and Computer Applications in Criminal Justice

CSU, Fresno - HS 92 (or PH 92) - Public Health Stats

CSU, Fullerton - MATH 120 - Introduction to Probability and Statistics

CSU, Fullerton - KNES 349 - Measurement and Statistics in Kinesiology

CSU, Fullerton - SOCI 303 - Statistics for the Social Sciences

CSU, Fullerton - PSYC 465 - Advanced Psychological Statistics

CSU, Fullerton - PSYC 201 - Elementary Statistics

CSU, Fullerton - POSC 407 - Polls, Statistics and Political Interpretation

CSU, Fullerton - Math 338 - Statistics Applied to Natural Science

CSU, Fullerton - MATH 337 - Introduction to Experimental Design and Statistics in the Laboratory Sciences

CSU, Fullerton - ISDS 361A - Quantitative Business Analysis: Probability and Statistics

CSU, Fullerton - HESC 349 - Measurement and Statistics in Health Science

CSU, Fullerton - HCOM 308 - Quantitative Research Methods

CSU, Fullerton - CRJU 340 - Criminal Justice Research Methodology

CSU, Fullerton - COMM 410 - Principles of Communication Research (or Mass Communications Research)

CSU, Fullerton - ISDS 361B - Quantitative Business Analysis: Statistics and Decision Sciences

CSU, Fullerton - HUSR 315 - Research and Data Management: General Research Methods

CSU, Fullerton - CAS 301 - Inquiry and Methodology in Development

CSU, Humboldt - STAT 108 - Elementary Statistics

CSU, Long Beach - STAT 118 - Introductory Business Statistics

CSU, Long Beach - MATH 180 - Statistics for Everyday Life

CSU, Long Beach - MTED 305 - Algebraic and Statistical Thinking for Elementary and Middle School Teachers

CSU, Long Beach - PROF 421 - Research Design

CSU, Long Beach - PSY 110 - Introductory Statistics

CSU, Long Beach - PSY 210 - Introductory Statistics

CSU, Long Beach - PSY 310 - Intermediate Statistics

CSU, Long Beach - SOC 170 - Elementary Statistics

CSU, Long Beach - STAT 108 - Statistics for Everyday Life

CSU, Long Beach - EDP 419 - Educational Statistics

CSU, Long Beach - MATH 108 - Statistics for Everyday Life

CSU, Long Beach - SOC 250 - Elementary Statistics

CSU, Long Beach - BIOL 260 - Biostatistics

CSU, Long Beach - HSC 403 - Community Health Statistics

CSU, Long Beach - HDEV/CLA 250 - Elementary Statistics in Social and Behavioral Sciences

CSU, Long Beach - EDP 520 - Research Methods in Education

CSU, Long Beach - EDP 400 - Introduction to Educational Measurement and Statistics

CSU, Long Beach - CRJU 525 - Advanced Statistics for Criminal Justice

CSU, Long Beach - CRJU 325 - Statistics for Criminal Justice

CSU, Long Beach - CRIM 303 - Statistics for Criminal Justice Administrators

CSU, Long Beach - COMM 307 (formerly SPCH 230) - Measurement in Communication Research

CSU, Long Beach - CLA 150 - Elementary Statistics

CSU, Long Beach - HDEV 190 - Elementary Statistics in Social and Behavioral Sciences

CSU, Long Beach - IS 310 - Business Statistics I

CSU, Los Angeles - PSY 202 - Descriptive Statistics in Psychology

CSU, Los Angeles - PSY 302 - Inferential Statistics in Psychology

CSU, Los Angeles - PSY 3020 - Statistics in Psychology

CSU, Los Angeles - SOC 210 - Elementary Statistics

CSU, Los Angeles - SOC 2100 - Statistics

CSU, Los Angeles - SOC 210A - Elementary Statistics

CSU, Los Angeles - MATH 109 (MATH 1090, equivalent to MATH 1092) - Quantitative Reasoning with Statistics

CSU, Los Angeles - SOC 310 (3100) - Intermediate Statistics

CSU, Los Angeles - EDFN 1090-08 - Introduction to Statistics and Date Interpretation

CSU, Los Angeles - SOC 210B - Elementary Statistics

CSU, Los Angeles - BIOL 300 - Biometrics

CSU, Los Angeles - EDFN 2520-01&02 - Introduction to Statistics and Data Interpretation for Real-Life Problem Solving

CSU, Los Angeles - EDFN 3520 - Applied Statistics

CSU, Los Angeles - ECON 209 - Applied Business and Economic Statistics I

CSU, Los Angeles - ECON 109 - Quantitative Reasoning with Statistics

CSU, Los Angeles - CRIM 483 or CRIM 4830 - Statistics in Criminal Justice (or Computer Techniques in Criminal Justice)

CSU, Los Angeles - Comm 487 - Quantitative Methods in Communication

CSU, Los Angeles - HHS 400 - Statistics in Health and Human Services

CSU, Los Angeles - EDFN 452 - Statistics in Education

CSU, Monterey Bay - STAT 200 - Introduction to Statistics

CSU, Monterey Bay - STAT 100 - Introduction to Statistics

CSU, Northridge - HSCI 390/L - Biostatistics and Lab

CSU, Northridge - MATH 141 & 141/L - Essentials of Statistics

CSU, Northridge - SOM 120 (Formely MSCI 301) - Basic Business Statistics

CSU, Northridge - SOC 497 - Sociological Research Methods

CSU, Northridge - SOC 424 - Statistical Techniques in Social Research

CSU, Northridge - SOC 364/L - Social Statistics and Lab

CSU, Northridge - PSY 320/L - Statistical Methods in Psychological Research and Lab

CSU, Northridge - MATH 140 - Introductory Statistics

CSU, Northridge - Math 141 - Essentials of Statistics

CSU, Northridge - HSCI 592 - Advanced Biostatistics for Health Sciences

CSU, Northridge - Math 310 - Basic Concepts of Geometry, Probability and Statistics

CSU, Northridge - SBS 320 - Statistics for Criminology and Justice Studies

CSU, Sacramento - SOC 101 - Introduction to Statistics for Sociologists

CSU, Sacramento - PSYC 9 - Introduction to Statistics for Psychology

CSU, Sacramento - STAT 1 - Introduction to Statistics

CSU, Sacramento - PSYC 101 - Foundations of Psychological Research: I/Statistics for Psychology

CSU, Sacramento - CRJU 101 - Introduction to Criminal Justice Research Methods

CSU, Sacramento - COMS 100C - Introduction to Scientific Methods in Communication Research

CSU, Sacramento - SWRK 110 - Statistics and Research for Social Workers

CSU, San Bernardino - CJUS 312 - Statistics in Criminal Justice

CSU, San Bernardino - KINE 370 - Measurement & Statistics in Kinesiology

CSU, San Bernardino - PSYC 210/2210 - Psychological Statistics

CSU, San Bernardino - SCM 210 (ADMN 210) - Applied Business Statistics

CSU, San Bernardino - SOC 307 (SOC 3070) - Social Research I

CSU, San Bernardino - SOC 309 - Social Research II

CSU, San Marcos - HD 220 - Statistics in Human Development

CSU, San Marcos - PSYC 220 - Introductory Statistics in Psychology

CSU, San Marcos - SOC 201 - Introductory Statistics for the Social Sciences

CSU, Stanislaus - MATH 1600 - Statistics

CSU, Stanislaus - Psych 2020 - Intro to Psychological Methods

CSU, Stanislaus - SOCL 4030 - Research Analysis

CSULA - EDFN 1092 - Introduction to Statistics and Data Interpretation

Cuesta College - MATH 236 (or MATH 36) - Introduction to Applied Statistics

Cuesta College - MATH 247 - Introduction to Stastistics

Cuyamaca College - Math 160 - Elementary Statistics

Cuyamaca College - PSY 215 - Statistics for the Behavioral Sciences

Cypress College - PSY 161HC (or SOC 161HC) - Honors Probability and Statistics: Social Sciences

Cypress College - MATH 120C - Introduction to Probability and Statistics

Cypress College - PSY 161C (or SOC 161C) - Probability and Statistics: Social Sciences

D

De Anza College - MATH 10 - Elementary Statistics and Probability

De La Salle University - STAT101 - Elementary Statistics 1

DeAnza College - PSYC 15 - Statistics and Research Methods in Social Science

Defiance College - SWK 230A (PSY 230A) - Behavioral Statistics

Delaware State University - PSYC 322 - Elementary Statistics

Depaul University - SOC 279 - Intro Stats for the Social Sciences

Devry University - MATH 191 - Probability and Statistics

Diablo Valley College - Math-144-8222 - Statway Two

Diablo Valley College - MATH-142 - Elementary Statistics with Probability

Diablo Valley College - PSYCH 214 - Introduction to Statistics in Psychology

Dickinson College - Psyc 202 - Analysis of Psychological Data

Dillard University - STA 205 - Foundation of Statistics

Dixie State Unviersity - MATH 1040 - Introduction to Statistics

Dominican University of California - PSY 3187 - Statistics for Health/Behavior Sciences

Dordt University - STAT 131 - Elemtary Statistics

Douglas College - PSYC 2300 - Data Analysis in Psychology

Drexel University - MATH 107 - Probability and Statistics for the Liberal Arts

Drexel University - MATH 311 & MATH 312 - Probability and Statistics I & II

Drexel University - STAT 201 - Introduction to Business Statistics

Drexel University - PSY 364 - Computer Assisted Data Analysis

E

Earlham College - MATH 120 (MATH 15 in 1995) - Elementary Statistics

East Los Angeles College - MATH 227 (227S) - Statistics

East Los Angeles College - PSYCH 91 - Statistics for Psychology

Eastern Illinois University - BUS 2810 - Business Statistics

Eastern Michigan University - PSY 205 - Quantitative Methods in Psychology

Eastern Washington University - CSBS 320 - Introductory Statistics

Edgewood College - PSY 369 - Social Science Statistics

Edison College - STA 2023 - Introductory Statistics

EDX.org : EDX - ColumbiaX - DS101X - Statistical Thinking for Data Science and Analyitcs

El Camino College/El Camino College Compton Center - MATH 150 - Elementary Statistics with Probability

El Camino College/El Camino College Compton Center - PSYC 109A - Introduction to Elementary Statistical Methods for the Study of Behavior

El Camino College/El Camino College Compton Center - SOCI 109 - Introduction to Elementary Statistical Methods for the Study of Behavior

Emory University - BIOS 500 - Statistical Methods I

Emory University - EDS 453 - Introduction to Statistics

Emporia State University - PY 520 - Statistics I

Endicott College - PSY 241 (or PSY 301) - Statistical Methods in the Social Sciences

Everett Community College - MATH 146 - Introduction to Statistics

Evergreen State College - No course number listed - Introduction to Environmental Studies and Research Design

Evergreen State College - Statistics 1 - Introduction to Statistics

Evergreen Valley College - MATH 063 - Elementary Statistics

F

Fairfax High School - AP Statistics - AP Statistics

Fairleigh Dickinson University - PSYC 2210 - Psychological Statistics

Farmingdale State College (State University of New York) - MTH 110 - Statistics

Fashion Institute of Design & Merchandise - GNST 3020 - Statistics

Fayetteville Technical Community College - MAT 151 - Statistics I

Florida Atlantic University - STA 2023 - Introductory Statistics

Florida International University - STA 3111 - Statistics 1

Florida International University - STA 2122 & STA 3123 (both required) - Introduction to Statistics I & II (both required)

Florida International University - STA 2023 - Statistics for Business and Economics

Florida Southern College - MAT 157 (or MAT 2022) - Elementary Statistics

Folsom Lake College - STAT 300 - Introduction to Probability and Statistics

Folsom Lake College

- Psychology 330 - Introductory Statistics for the Behavioral Sciences

Foothill College - MATH 10 - Elementary Statistics

Fort Lewis College - MATH 132 - Introducton to Statistics

Franciscan University of Steubenville - PSY 204 - Psychological Statistics

Fresno City College - MATH 11 - Elementary Statistics

Fresno City College - PSY 42 - Statistics for the Behavioral Sciences

Fresno Pacific University - PSY 300 (or SOC 462) - Statistics

Fu Jen Catholic University - - Communication Statistics

Fullerton College - MATH 120HF - Honors Introductory Probability and Statistics

Fullerton College - PSY 161F - Elementary Statistics for Behavioral Science

Fullerton College - SOSC 120F - Introduction to Probability and Statistics

Fullerton College - MATH 120F - Introductory Probability and Statistics

G

Gannon University - PSYC 211 - Psychological Statistics

Gavilan College - BUS 11/ECON 11 - Statistics for Business and Economics

Gavilan College - MATH 5 - Introduction to Statistics

George Mason University - STAT 250 - Introductory Statistics I

George Washington University - STAT 1051 - Introduction to Business and Economic Statistics

George Washington University - STAT 2112 - Business and Economic Statistics II

George Williams University - MATH 122 - Quantitative Business Analysis II

Georgetown University - PSYC 002 - Research Methods and Statistics

Georgia College & State University - MATH 2600 - Probability and Statistics

Georgia College & State University - MATH 1401 - Elementary Statistics

Georgia State University - MATH 1070 - Elementary Statistics

Glendale College - MATH 136 - Statistics

Glendale Community College - PSY 230 - Introduction to Statistics -12417

Glendale Community College - PSY 231 - Introduction to Statistics -12415

Golden West College - MATH G160 - Introduction to Statistics

Golden West College - PSYC G140 - Statistics for the Behavioral Sciences

Golden West College - MATH G160H - Introduction to Statistics Honors

Golden West College - MATH G103 - Statistics for Elementary Teachers

Gonzaga University - MATH 121 - Introductory Statistics
