Hello CLA Faculty (tenured, tenure-earning, lecturers),

Today, Friday, May 8th, from 3:00 to 5:00 p.m. we will be having a general meeting for all CLA faculty hosted by your Faculty Council. The CLA Faculty Council is to the College as the Academic Senate is to the University. Your Faculty Council is the place where we can come together to work on issues of interest to all of us. This is not in any way a competitive process, but a process that invites each faculty member in our college to come together with other CLA faculty members to share their ideas in this process.

Our current CLA Strategic Plan is sundowning at the end of this Spring 2020 semester, which means that today we will start work on the new three-year plan. The Faculty Council Executive Leadership Team (Barbara LeMaster, Ilan Mitchell-Smith, Jeannette Acevedo Rivera, Justin Gomer, and Stacy Macias) and the members of the Faculty Council invite each of you to come to help us co-create our plan for the college.

FRIDAY GENERAL MEETING, MAY 8TH 3-5 P.M.: Development of a college strategic plan will not happen in one day. Today we begin to brainstorm together. We have a very tight agenda focused on three specific items: 1) values (e.g., inclusivity), 2) goals for the next three years (e.g., increase diversity hiring by X%), 3) priorities. After a short introduction to each activity, attendees will be sorted into breakout groups with four to five people in a group. Each group will assign one member to put the group's 3-5 top items on a Google Doc we have set up for the meeting. New groups will be established for each topic to give us a chance to interact with different people throughout the meeting. Every attendee will have access to the Google document enabling each of us to see what the other groups came up with.

PROCESS MOVING FORWARD: The FC Exec will synthesize the information provided by the groups today and will send it to all of you via the CLA-Faculty listserve. This will most likely happen after final exams are over. Moving forward, we are targeting December 2020 to complete this process, which may mean having a meeting or two over the summer. In addition to writing a strategic plan that includes our vision, mission, values, goals, and priorities, the FC Exec is looking toward developing action plans that align with our strategic

plan, and perhaps begin writing appropriate policies to support our collegiate work and decision-making in the college, similar to in process, but not in competition with, the content of Academic Senate policies.

After this meeting, and when we send out our synthesis of group responses to our prompts for today's meeting, we will send information about the next meeting and invite any and all faculty members to join in this all-college faculty effort.

Hope to see you virtually on Friday, May 8th, from 3:00-5:00 p.m. Virtual drinks and refreshments provided!

Sincerely,

Barbara LeMaster Ilan Mitchel-Smith Jeannette Acevedo Rivera Jason Gomer & Stacy Macias
