College of Health & Human Services

▲ 2024 COMMENCEMENT CEREMONY

Photo above: Carlson Bloc Bell Tower. In 1965, the International Sculpture Symposium contributed nine monumental pieces and designs to CSULB. These works received credits in 21 national and international publications, and, in 1972, additional community funds in the form of a trust provided for the completion of the Carlson Memorial Tower, designed by French sculptor Andre Bloc.

Welcome to

CALIFORNIA STATE UNIVERSITY LONG BEACH

California State University, Long Beach is a member of the 23-campus California State University (CSU) system. The initial college, known then as Los Angeles-Orange County State College, was established on January 29, 1949, and has since grown to become one of the state's largest universities.

The first classes in 1949 were held in a converted apartment building on Anaheim Street and the cost to enroll was just \$12.50. The 169 transfer students selected for the 25 courses offered in Teacher Education, Business Education, and Liberal Arts were taught by 13 faculty members.

Enrollment increased in 1953 when freshman and sophomore students were admitted.

Expansion, in acreage, degrees, courses and enrollment continued in the 1960s, when the educational mission was modified to provide instruction for undergraduate and graduate students through the addition of master's degrees.

In 1972, the California Legislature changed the name to California State University, Long Beach. Today, more than 37,000 students are enrolled at Cal State Long Beach, and the campus annually receives high rankings in several national surveys.

What students find when they come here is an academic excellence achieved through a distinguished faculty, hard-working staff and an effective and visionary administration. The faculty's primary responsibility is to create, through effective teaching, research and creative activities, a learning environment where students grow and develop to their fullest potential.

Today you are attending one of seven Commencement Ceremonies, taking place over three days, to celebrate the accomplishments of the more than 11,000 graduates and candidates. They are earning doctoral, master's and bachelor's degrees as well as credentials and certificates. We are proud of our graduating students, who now go forward to serve society.

A Message from the President...

Dear Graduate,

Congratulations on this special occasion as you celebrate the culmination of your studies at The Beach.

As you move your tassel from right to left, remember that this ceremony signifies the end of one chapter and the beginning of another exciting one in your lives.

The knowledge and experiences you have gained during your time here — inside and outside of the classroom -- have equipped you with the tools needed to make a positive impact on the world. I am sure you will be driving forces for good in your communities. The world needs your unique contributions to make it a better place for all.

Thanks to the faculty, staff, alumni, families, and friends who have supported our graduates on this journey. Your guidance, encouragement, and unwavering love have empowered them to reach this milestone.

To the class of 2024, congratulations! Today, we not only celebrate your achievements, but we also proudly welcome you into the alumni family. You are Beach Alumni for life!

Go Beach!

Sincerely,

Jane Close Conoley, Ph.D.
President

A Message from the Chancellor...

Dear Class of 2024,

Please accept my warmest and most heartfelt congratulations on achieving a truly momentous goal in your life. Just a few short years ago, you set your sights on earning a degree. Now, that goal is a reality. I hope you feel a well-earned sense of pride.

Even as numerous forces upended our world, you held firmly onto your dreams and persisted in your studies through challenges none of us could have foreseen or imagined. By necessity, you have developed and honed attributes that will benefit you for a lifetime. Your resilience and adaptability will become career strengths. Your creativity and resourcefulness will define you. Your courage and determination are, in my eyes, already legendary.

Moving forward, you will face new opportunities with the potential for great success. I am sure that you will excel because you have the knowledge, skills and connections gained through your California State University education.

Your personal and educational transformation was aided by faculty, who trained you to look at the world with a critical eye and an open mind. Their efforts were supported by the work of your counselors, advisors, librarians, tutors and coaches who created an encouraging environment for you to succeed. All the while, your family, friends, colleagues and loved ones kept you motivated and saw you through your academic journey.

Your accomplishment today fills all of them – all of us – with pride.

You are now part of a network of over four million CSU alumni who are powering the social and economic prosperity of our state – and far beyond. You join fellow alumni who are solving our greatest challenges, educating the next generation, fighting for equality, and creating new opportunities for economic prosperity.

I encourage you to stay connected to the CSU. Use these connections – both to your university and to other CSU alumni – to expand your opportunities and make a meaningful impact on your community and the world. I also encourage you to support the generations who endeavor to follow in your footsteps.

The word we use to commemorate an earned university degree is “commencement.” This is, of course, deliberate. Today is not an end, but rather a beginning. And as you continue on your life’s journey, may your hard work and sacrifices pay dividends far beyond today’s celebration, both in your life and in the lives of those around you.

Congratulations, California State University Class of 2024! I look forward to all that you will accomplish.

Felicidades!

Mildred García, Ed.D.
Chancellor

COLLEGE OF HEALTH & HUMAN SERVICES

The College of Health and Human Services is characterized by the greatest diversity of programs found in the University. Its three schools, eight departments, two programs, and eleven centers are professionally oriented and offer a wide variety of options at both the undergraduate and graduate levels. The College of Health and Human Services also provides a balanced approach of theoretical knowledge and professional competencies. The outstanding faculty of the College are committed to providing a first-rate education through the integration of academic and professional course work in their teaching. This dedication has led to greater personal development in all of our students. The current faculty includes 501 part and full-time faculty making the College of Health and Human Services the second largest college at California State University, Long Beach. There are approximately 7,954 students, 6,327 pursuing baccalaureate degrees, 1,627 students are pursuing master's degrees, 100 students are pursuing DPT degrees, and 50 students are pursuing a DNP as part of a consortium with CSU Fullerton, Long Beach and Los Angeles.
