In addition to coursework, students complete 16 hours per week in practicum education internship during weekday, regular agency hours. The exact schedule is determined by the student and the agency at the time of placement. Most students complete two full 8-hour days; however, at the discretion of the agency, some students may be permitted to complete the 16 hours in an alternate schedule of one 8-hour day and two 4-hour days.
9. Is there anything else you would like us to know as we consider your application? Please describe.
10. **Advanced Standing Applicants Only:** Please explain why you think you are a good fit for the Advanced Standing (AS) program. In addition to meeting the minimum requirements for the AS program, what do you believe has prepared you to succeed in this accelerated program?
