HUMAN DEVELOPMENT
CALIFORNIA STATE UNIVERSITY LONG BEACH

A major in Human Development at CSULB offers students core knowledge and essential skills to make a difference for individuals, families, and communities in a diverse and changing world.

Human Development is a supportive community with dedicated faculty and staff. HDEV students have access to friendly faculty, high-quality advising, dynamic programs, student groups, alumni, and resources to support them as they navigate college and look to their futures.

BACHELOR OF ARTS IN HUMAN DEVELOPMENT

HDEV students learn about cognitive, social, and biological development from birth to death in the context of family, culture, and society. HDEV classes combine **psychology**, **biology**, **anthropology**, and **sociology** to prepare students for rewarding career paths in therapy, social work, counseling, health, education, advocacy, business, research, and more.

HDEV values and promotes social justice and offers students opportunities to make positive impacts in their communities and around the globe.
