END OF THE SEMESTER TASKS

Step 1: Surveys and Evaluations

CTC/CSU Program Completer Survey & CED Exit Survey

The survey links will be emailed to you soon. Complete both surveys and take a screenshot of your Verification of Completion with your name included and email that back to ced-tpac@csulb.edu.

Student Teaching Evaluations must be submitted in S4. You will not be cleared for credential recommendation until all evaluations have been submitted. If you haven't sent the link for your Final Evaluations in S4, do it NOW!

APPLYING FOR YOUR CREDENTIAL (AFTER YOU COMPLETE STUDENT TEACHING)

Step 2: After January 2, Complete the Qualtrics “Request for Recommendation” form and upload any needed items (CPR, etc.). Do **not** submit a request prior to completing student teaching, TPAs, and all additional requirements.

You will need to provide a non-CSULB email on this form. Please ensure that you will be giving us the same email that you have on file with the CTC. If your student email address is on file with the CTC, please change this in your CTC account.

Step 3: Your Request for Recommendation will be routed to a CSULB Credential Analyst who will determine if your file is complete and will submit an online recommendation to the Commission on Teacher Credentialing (CTC).

APPLYING FOR YOUR CREDENTIAL

Step 4: Watch for a notification email from the CTC (donotreply@ctc.ca.gov). Follow the instructions in the email from the CTC directing you to complete your portion of the online application, including payment.

Step 5: Credential Issuance

Within approximately 10 days of completing the online application, the CTC will email you notification that your document has been granted and available for viewing.

Log into your CTC Educator Profile, click on your Single Subject Credential document number and review your credential carefully. Contact the Credential Center as soon as possible if your document is incorrect or if you have any questions.

Please note - The only credential verification that is available will come from your Commission on Teacher Credentialing Educator Profile. Take a screen shot of your credential to share with your future employer. You will not receive a certificate in the mail.

UNIVERSITY INTERNS

- All intern support hours must be submitted and approved by your University Supervisor prior to credential recommendation eligibility. We cannot recommend you for the Preliminary Credential until your hours have been cleared by the Office of Clinical Practice. (January 2025)
- Candidates who do not yet qualify for a Preliminary Credential should be prepared to enroll in an Intern Support Class for Spring 2025 (if there is no change in your intern employment for the remainder of the school year). You will receive more information about this via email.

DEADLINE TO APPLY

- After **January 31, 2025**, your credential file will be on hold if you have not applied for credential recommendation.
- After this date, you will need to contact our office when you have completed all requirements and are ready to apply for your credential. We will no longer actively monitor your file.
- When you have completed all requirements, please contact us to apply for your credential (even if you do not plan to use your credential right away).
 - **Candidates who do not finish and apply, upon eligibility, may be held to new requirements if they are added in the future by the CTC or legislative action.**
