

## What is ETS?

Educational Talent Search(ETS) is a federally funded program housed at California State University, Long Beach since 1977.

The purpose is to identify, select, and assist low-income and potential first-generation college students to continue in, and to graduate from, secondary school, to enroll in a postsecondary educational program, and complete those programs.

## Mission Statement

ETS is a FREE college access program designed to help you pursue your goals throughout high school and beyond!

## Testimonials

“ ”

ETS at Bell High School offered invaluable support, like monthly scholarship info, application aid, check-ins, and engaging activities. They helped me excel academically, introduced me to college requirements, and ignited my passion for STEM and a future in medicine.

-Briana

ETS has provided unconditional support for all my questions and pushed me to do more!

-Kaycee

ETS has provided me with field trip programs to visit schools far away and comments to improve my PIQs.

-Ara

ETS has helped me with my academic advising and has shown me different college options, along with different majors and opportunities in my own school!

-Chris
