

GENERAL EDUCATION COURSES FOR PRE-HEALTH STUDENTS

We recommend pre-health students enroll in courses that meet the following General Education requirements to help you develop a broad understanding of the health professions in relation to other disciplines of study.

Course Key: ♦Human Diversity in the U.S. ▲Capstone course (Category F) ●Global Issues *Writing Intensive

For the 2012 GE Pattern, Capstone courses meeting Category F cannot also be used to meet other GE Categories.

The Arts and Humanities (Category C2/C3)

- Philosophy (PHIL) 160 -Intro to Ethics
- Comparative World Literature (CWL) 315 ▲♦-Literature and Medicine
- English (ENGL) 300 ▲*-Advanced Composition

Note: Although this course is not health-related, pre-health students should further develop their writing skills. Many health profession schools also require one year of English (AP credit may or may not be counted-check the individual schools).
