

**Chafee Student Success Plan****Student Name** \_\_\_\_\_ **CSULB ID Number** \_\_\_\_\_

If you do not meet Satisfactory Academic Progress (SAP) for two or three consecutive semesters, you must meet with an EOP Financial Aid Counselor and an EOP Academic Counselor to develop a plan for improving your academic progress and/or update an existing plan, to ensure that you are making progress toward completing your degree and to remain eligible for Chafee grant funding.

You and your EOP Counselors will work together to develop a Success Plan that addresses the circumstances that led to you not meeting SAP.

Your EOP Counselor will send your Chafee Student Success Plan to the Office of Financial Aid and Scholarships for final review.
