Illustration Students in this track will take a series of courses to help them develop skills for the field of illustration. Professional illustrators create work for a wide variety of applications. Some examples are: editorial work for magazines and newspapers, comics and graphic novels, textiles/clothing and the home and gift market, technical and biomedical illustration, entertainment (storyboards and visual development) and advertising. Students will focus on building their skills in drawing, painting and conceptualizing to create strong work geared towards their area of interest using their particular strengths.

General Education courses are not listed above.

All students are required to complete upper division General Education courses.

Review your Academic requirements report to view your remaining GE's.
