Center for Successful Aging

COLLOQUIUM SPEAKER

SERIES

*Fit for Life: The LifeFit
Research Agenda*

*Ayla Donlin, Jan
Schroeder, Michelle
Alencar
and Asia Yates*

TUESDAY, March 5th

12:30-1:30PM FCS 108/110

1250 BELLFLOWER BLVD. LONG

BEACH, CA 90840

The purpose of the Colloquium Series is to bring together students, faculty, and community members interested in aging to foster networking and collaboration for interdisciplinary research and education. The Center for Successful Aging takes pride in acknowledging and supporting current efforts towards aging well in the Long Beach community and beyond.
